-------------------------------	--	--	---	---------------

<p>C9 positive people attending training & making others unwell</p>	<p>Girls, coaches, managers, parents</p>		<ul style="list-style-type: none">▪ Minimise contact with individuals who are unwell or required to self-isolate by ensuring they do not attend.▪ Parents & coaches sent update around C19 explaining club's rules about not attending if displaying any symptoms.▪ Parents and players asked to complete covid-19 health checklist.▪ Covid19 risk assessment shared with all coaches and managers and all briefed on any changes and updates before weekly sessions.▪ Coaches to run through covid-19 checklist with each team when checking for new injuries at start of each session.▪ Any player displaying symptoms will be sent home and parents contacted to collect. Player will leave the pitch and wait outside pitch with a Club lead.▪ Spectators discouraged from training, only 1 parent/ carer per child for safeguarding reasons.▪ Social distancing rules to be adhered too and adults regularly reminded through signage and club communication.▪ Any clinically vulnerable players or adults are not to attend without an individual risk assessment.▪ Players & adults are not to shake hands, hug, fist bump or any similar action.▪ Good hand hygiene is encouraged regularly.	<p>Ongoing</p>
---	--	--	--	----------------

Infection spread through shared equipment	Girls, coaches, managers		<ul style="list-style-type: none">▪ Girls & coaches encouraged to bring own hand sanitiser to session and to use regularly.▪ Hand sanitiser available at the gate and at various stations around the pitch.▪ Players and coaches are to hand sanitise on arrival, during break & on exiting the pitch.▪ Girls to bring their own named water bottles to games & informed sharing water is strictly forbidden.▪ Shared water fountain is closed off.▪ Only essential equipment is to be used during session.▪ Equipment sharing to be discouraged. All teams to have their own bibs, cones & enough goalie gloves for each goalie for each session or match.▪ Bibs to be washed after every session.	Ongoing
---	--------------------------	--	--	---------

<p>Infection spread through shared spaces</p> <ul style="list-style-type: none"> - Pitches - Toilets - Changing rooms - entrance 	<p>Girls, coaches, managers, parents</p>		<ul style="list-style-type: none"> ▪ Social distancing rules to be encouraged. ▪ Changing rooms to be shut and locked. ▪ Club lead to check toilets regularly. ▪ Coaches and club leads to encourage girls to wash hands through after using the toilet. ▪ Only 2 players in toilet at any time. ▪ Parent/carers not to use toilets. ▪ Dynamic risk assessment of toilets to be carried out by club leads if hygiene/infection becomes a concern during session. Toilets could then close. ▪ Player's training areas are to be clearly marked. ▪ Team talks are to be conducted in a socially distance way. Markers/cones can be put on floor to encourage children to keep required distance apart. ▪ Coaches/managers to ensure enough space is available for each team to train safely and maintain social distancing rules. ▪ Training sessions should be pre-planned with social distancing measures in mind. ▪ Different arrival and exit times are in place. ▪ Players are encouraged to leave the pitch swiftly and not congregate. ▪ 	<p>Following government guidance on when changing room restriction can be lifted.</p>
<p>Wide infection spread due to ineffective track & trace</p> <p>Risk of unidentified adults attending site</p>			<ul style="list-style-type: none"> ▪ Register of players attended to be taken by managers/coaches each session ▪ Parents to be notified immediately if positive case is reported and direct contacts will be called immediately and informed to self-isolate and take a PCR test ▪ All unidentified adults to be challenged by Club lead and asked to leave. Security to support if necessary. 	

Infection spread due to first aid incident			<ul style="list-style-type: none">▪ 1st aid boxes to be audited and replenished▪ Face shields to be added to face aid boxes▪ Large supply of PPE gloves and masks to be included in each first aid box
